“ To the family: My deepest sympathy to you on the loss of your Mother, Grandmother and Great-Grandmother. Aunt Marion was the older sister of my father, Edward, who died in 1955. I only became acquainted with her after I became an adult and found my extended family. She was very accepting of me which touched my heart very much. She spoke such kind words about my father and she and Aunt Margaret gave me a sense of belonging that I had missed out on as a child. I will always be grateful to them both for their understanding of the situation. I loved her "no nonsense" way about life. I believe I have some of those same Riley traits and they have served me well.

Rest in peace Aunt Marion. I know you, Margaret and Edward have alot of catching up to do. Much love, Rikki Riley Popkin
