This has been a tough year on your family, but that has a way of bringing families closer! That's our prayers for you.

“ There are no words that I can say to take away the sadness and pain your family is going through. I have such good memories of Mr. Slott as I am sure everyone that knew him does. Many years ago when Carolyn and I were in Girl Scouts he would always take me home when I didn't have a ride. On the way home he would always tell Carolyn and me stories of when he and my mom went to school together. Now that I am older I cherish and appreciate the memories of his stories. Mr. Slott may not be here on earth with us but I am sure everyone has great memories and in those memories he will be with you forever. You are all in my prayers.

“ Mrs. Slott, Matt, Mark, Carolyn & families,
We are so very sorry for the loss of Mr. Slott. He was such a good man and truly loved his family. I lost my dad almost 8 years ago and it still seems like only yesterday...our dads can never be replaced or forgotten! Whenever I am feeling down about him, I just pull from all those wonderful memories I have of him and they help to brighten my day! I know that the days ahead will be hard ones but just trust in Him and he will give you the strength you need in times like these! Please know that your family is in our thoughts & prayers!
With much love,

“ Dear Mrs. Slott and family,

Where do the years go?

It seems just like yesterday that Mark, Matt and Carolyn were cute, little elementary students and you and Buddy were their proud, young parents. But since that time, lots of wonderful things have happened. Your children grew up and gave you grandchildren, and then came great-grandchildren, AND all of them loved you and Buddy so much!! Treasure all of the good memories that your family made together, and they will help your heart heal.

*God bless you,

“ We are so sorry to hear about Mr.Buddy. He was the best neighbor anyone could ever have. He loved his family, especially those grandchildren and great grandchildren. He always lit up when he would come sit on our front porch and talk about them. May you all find comfort in knowing that he is finally resting and in no more pain. I am sure that he and my daddy are in Heaven right now talking about cows, gardens, and bailing hay just like old times. God bless all of you!
