“ *So sweet, so young, so beautiful, too soon. We promised to get together. I suppose now, it will be in life hereafter.
May God's arms be wrapped around your family to comfort them.
My heart, my love and my prayers go out to those who loved you so dearly.*

I love you, Marji.

“ To the family of Marji: I look at her picture and it still reminds me of my childhood friend. We had alot of fun in those days. The Brills, Kenndy's, Mills, Lutz's, Jackson's , Zimmerman's. and several other. It breaks my heart for those of you left. It was so strange that after all the years Rex ran into you Frances. I had so hoped to get to see Marji after that. I remember your whole family, the only one i never meet was your brother. Your family has been put through alot through the years. And then losing your brother and now Marji, is beyound belief. It's sad that another of my childhood and teenage friends is gone. Cindy Kenndy, Randy Zimmerman, David Brill. My prayers and thoughts are with you all during this time. May God bless and hold you close. Francis when you get home and have time, i would love to visit with you....I am so very sorry.

“ I am so sorry to hear about Marji. This has brought me back to the times when we were younger and how much fun and the trouble that we would get ourselves into. I am so glad that I got to visit a couple of times with her a few of years ago. And, yes she was the same Marji and did not change a bit. She will be missed by all that knew her. My thoughts and prayers goes out to all of the family and friends. Love Cindy

“ I have many happy memories of Marji from our childhood. I can still see her riding her motorcyle in the old neighborhood. She was such a tomboy. She was a fun person to hang out with. It is very painful to loose someone you love so much. Only your memories, time, family support, and faith in God will carry you during a time like this. I am praying for Marji's entire family and friends. Love, Kim

“ Dear Family of Marji, I fondly remember growing up in your home as much as in our own home. It seemed like back in the mid 70's that we were all one. I have many fond memories of Marji as well as all of you. My heart goes out to each of you and I am truly sorry for your loss.

God Bless You All,
