“ *So sorry to hear about Aunt Margie. I still have great memories of  
our visit to California all those years ago. I wish we could have  
visited more. I think the thing I will remember most about your mom  
is her laugh. She was such a fun person. I can still see her trying to  
teach Gretchen and PoPo tricks and laughing at them. I hope your  
happy memories of her will help you now. My love to you all Little  
Isabel.*

“ *Carol and Steve,  
The passing of Carol's mom is sad and our love for your entire family is felt deeply.  
As this is a sad time, my prayer is that your entire family is celebrating the love that you showed "Marjie" for so many years. You, Carol, Steve, Lauren, and Jimmey shared your love, caring and concern in a way that is a model for all generations.  
Peace,
