“ *Betty and family...our hearts are broken too, but he is healed. I was privileged to be his cousin and although we didn't see either other much, I enjoyed our visits when we did. I will always remember the phone call I made to him and we reconnected after so many years. My mom loved her nephews and was so glad that we are able to all get together.*

He was so blessed to have you for a devoted wife and I am forever grateful for the loving care you gave to him through the years. Take care of yourself and know you are in our thoughts and prayers. Love you!!!
