“ Mrs. Campbell and family,
I have know Mark for over 20+ years. I first met Mark when he was with Goulds the first time around. Back then we were both young men. I was one of the people that he would visit when he was away from his family traveling. Mark always conducted himself on the road in a manner that would make any family proud. When I visited him in NY he was a warm host and went out of his way to make me feel welcome. He was very proud of his family and spoke of them often. I last talked with Mark about 2 weeks ago and signed off with a promise of lunch in the near future. While it may not be lunch, I am confident we will meet again. I am deeply sorry for your loss. The world will indeed go on but with a void in the hearts of those who knew Mark.

“ You are all in my prayers.

Lord, lift up our eyes to that glory yet to be revealed. Teach us that it is only out of weakness that we are made strong, only as we suffer that we may reign, only as we lose that we may gain.

Blessings!
