

## Mark Anthony Slott

August 3, 1958 - December 28, 2019

Mark Anthony Slott, 61 of New Waverly Texas, passed away December 28, 2019, surrounded by family after losing his battle with cancer. Mark is preceded in death by his father Marion (Buddy) Slott, daughter Crissie Lynn and Godfather Edward Smith. Those left to cherish his memory are his mother Lucille Slott of New Waverly; sister Carolyn Watson of New Waverly and husband Jerry and their children Jeremy and Hilary and husband Matt Orsak; brother Matthew Slott of Huntsville and wife Cherie and their children Ashley Bailey and husband Ben; Ryan, Christopher, Ben, Christine, and Cathy; daughter Teresa Baker of Spring, husband Troy and their children James and Meredith; daughter Cassie Slott of New Waverly and son Ryan; daughter Kimberly Hatthorn of New Waverly and daughters Haley and Kylie. He is also survived by his Godmother Mary Francis Hightower of New Waverly and husband Buck, Goddaughter Sierra Gregory, a host of uncles, aunts, nephews, nieces, and friends. He loved spending time with his daughters, grandchildren, mama, other family members, friends, and his dog Lily. Mark loved working outdoors and spent many hours taking care of the family place and tending the garden. Back in the day he enjoyed participating in cook-offs with friends. He was an avid Dallas Cowboy Fan and even had his golf cart done in Cowboy colors with the emblem. In his spare time he loved to fish, do woodworking, and having one more with neighbors and friends. Our Daddy was a hard worker and he was both Mom and Dad to us. Dad never met a stranger, would help anyone, and was always the life of the party.

Pallbearers will be Mat Gregory, David Gregory, Tim Szymczak, Chuc Massey, Troy Willis, and Phil Smuck. Honorary Pallbearers are JJ Eberhart and Ernie Franz.

“ To all of the Slott Family, I am so sorry for your loss...and it is a big one for all of us blessed to have known him. We had run into each other several times over the years, but about 2 years ago, we became trusted friends. We were at the same doctor office (which was already an hour behind!) so we had a lot of time to sit and talk. We reflected on life and how blessed we were even though of our illnesses! It seemed like he would know when I had a bad day and there would be a FB PM telling me NOT to give up...I had gone too far to back out now!! And I would try to return the favor, but Mark was not one to dwell on his bad days! That was just the kind of person Mark was...TRULY that "one in a million"! God Blessed him with the love & patience to raise the 4 daughters & grandbabies. Oh, he loved to talk about those babies... & I know they felt the same way about him! You could ALWAYS see the pride and love when he was talking about any of them! I feel just horrible for Mrs Slott...a Mom should never have to bury one of their children. But, I know Mark felt it would be a blessing due to all the pain & sickness he had been through! You could just see the joy him & his Mom brought to each other! I attended the visitation for Buddy and could not stay long due to being so sick. So many regrets we have by not making the time to care for those truly loved friends when they need us! I had prepared myself for my passing last year, but on 1/29/19, I received a life saving kidney transplant (via a 3-way swap) from a complete stranger in Wisconsin. It was the miracle I had been waiting for for over 10 years! I had so hoped that my friend would be able to hang around to get his! He was a true friend until the very end.... you will forever be missed, my friend.

“ *Mark and I were high school friends, and like so many others, lost touch after graduation. Of course after the Stone Age and technology changed with the dawning of social media we came across each other again on Facebook, it was so good to see a classmate of mine after so many years. My heart is heavy hearing of Marks passing. My Prayers are going up for his loved ones, his family and many friends.*
