“ Dear Brother,  
*I will miss you very much. I could always count on you in a pinch. I'm glad we had a little time together before your difficulties. It was good to talk to you before your medical condition overcame your fight. It's hard to lose a family member but a brother is a particular difficult loss. I will think of you often. Be with God and rest in peace. I love you very much.*

“ *Mrs. Smith, my sincere condolences. Mark was a very special friend to me when I first moved to Hitchcock. With both of us being half Japanese, it was sometimes hard, but Mark could always make me smile. He will be missed terrible.*
