“ *Dearest April, Christian, Deanna, & Glenna: All the prayers in my heart go out to your family. I wish I had known sooner and I could have paid proper respects to Marla. She had the kind of light about her that radiated and drawn us in. Her laugh was infectious and I will never forget the good old days when we were young and free. My words cannot express the hole in my heart. My prayers are with all of you and Marla will always be remembered for the precious child of God that was my best friend. May the Lord bless you and bring you peace. I love you, dearly.*

My heart breaks for you in your loss, but cling to the words of the one who said that Marla will return with our Lord to take you home. What a glorious thought. Christian, my mother went home to be with the Lord when I was your age. I can understand just a little of the pain you are feeling. Cling to the good memories of your mom. Marla's entire family will be in my prayers. "Do not let your hearts be troubled. Trust in God, trust also in me." Jesus gave us these words. Hold them close to your hearts.

“ I was so sorry to hear the news about Marla. I grew to know Marla well when we worked together at Region VI and I loved so many things about her. Her raspy voice and her infectious laugh are only a couple I could name. I remember she always wanted me to play with her hair when we were at work. “ April and entire Linville Family-

My thoughts and prayers are with you all during this time of sorrow and pain. I grew up with April and Marla and can remember many fun and exciting times. Marla had such an awesome sense of humor and was always making friends laugh and smile. Please know that I am thinking of you all and praying that God will help your family through this time of pain.

“ *I wish there was something I could say to make this better, but words can not mend this. Benny and I want you to know that we are thinking of all of you and our hearts hurt for your loss. I remember Marla as a small child and even then, she could make us laugh with her wit and humor. The only way to tell the girls apart then was to watch them for a minute and Marla was the one always getting into mischief and them making you laugh before you could scold her. I know you will miss her and that smile. Stay strong.*

“ *To the Linville Family.*

Our thoughts and prayers are with you all during your time of sorrow.

Billy, my Mom spoke often of how proud you were of the twins. You spoke of their birth when you would escort her to the bank from the tax office.

we are never prepared to lose a child. Much less two at such a young age. God will give you strength during this time. Ask and you shall receive.

God be with the entire family.
