“ *Betta, I have been told so much about you through Myrna Davis, our mutual friend. Your mother attended our church with the Davis and meeting her was a wonderful experience. You could tell she loved the Lord with all her heart. We have been praying for her over the past months, and although we did not get to see her, we were updated often of her condition. We know that she is now present with the Lord, her Savior and is reunited with loved ones gone before. Our sympathy is with your family, but I can't help rejoice at the "homegoing" of my sister in Christ. May the Holy Spirit comfort you and be with you and yours, our prayers are with you now and that days to come. GOD Bless you.*
