“ *Billy and Danny, It is very sad to find out about the loss of your father online. I always loved Ray he was always kind and a wonderful brother to me. I always wanted a brother and although legally adopted some people constantly used the word (step) in between us. I never felt that way and have never loved you both or your dad any less than blood relatives would or wouldn't. Know I love you always(always have and always will) and my prayers are with you and yours. Deepest Sympathy in the loss of your Sweet Daddy.Much Love Nancy English*
