“ *I remember the very first day i walked into Silver Hills, Martha was sitting at the table eating lunch, and I walked by, she said to me did they hire you and I said yed mam I start tomorrow. She smiles at me and said you are goinna love this place. The next day I came to work and she I went to get her for breakfast and she said to me : Promise me you will not leave here before I do, and I sd ok but I need this job so you cant leave anytime soon. 2 years later I have been with her almost every day. Martha has taken the place of my mom in my heart and she was the best replacement I could ever find, I love her as if she was my mom.. she was so smart even up to a few days before she had to leave us. She always made me laugh, things she said and did.. I will miss you my sweet angel, you have flown home and will be at peace now. And thanks for leaving all the fig newton crumbs for me to clean up.... I love you Martha,,, TERRY:::: thanks so much for letting me apart of your family, and sharing your wonderful mother with me... i will miss her so much,,,,, Pam....*
