“ *It's hard to believe that over 50 years ago I called you Mr Bland.*

*As time pasted, hunting, fishing, camping I was pleased to call you Dad. Although we got strange looks in the store when you asked “Honey is this ok” I would smile and say “sure babe whatever you like”*

*There is a void now that you're with the others that have gone before you, you will always be in everyone's heart.*

*Most of all it has been very satisfying to see my kids and grandkids call you Papaw, it has been my pleasure to call you Daddy.*

*Love always  
Big Dave*

“ *Dear Dad, it's been an absolute honor to have you as my dad. Thank you for the love and respect you gave each and every one of us. Not many men could have filled the shoes that you did. My Mom was a lucky gal to have you love her as much as you did. We will take care of her for you until you meet again. Hope, you went to Heaven a shouting. Tell Grannie and Pawpaw, I said Hi. Hug all our busy body Aunts. And especially tell Johnny I will see him soon as I can! Love You Always and Forever!*
