“ *Dear Carolyn and Lynn and family, I did not hear about your moms passing until the day of her funeral. I am very sorry for missing her service. Your mom was a very very special lady that my family thought the world of. I have several pictures of her with my mom and Aunt Catherine. They use to go to movies together to Willis many years ago and from what I hear had great times together. She is special and always will be, she has left her mark here in our town and in the hearts of the many people around here. May GOD bless her soul. With love, Lorraine & Ceal Belinowski*

“ *Dear Carolyn and Lynn and family, I am so sorry about your mom. Ms. Mary was always a person who brightened my day no matter where I saw her--in the Post Office, church, or grocery store. She always thought of others first and did whatever she could to make their lives easier. I will never forget how helpful she was as I made arrangements for my own mother's funeral. We will all miss this sweet lady who was an icon in the daily lives of the people in New Waverly for so long. Treasure the wonderful memories you have. God bless you, Vergie Decker Dotson*

“ Carolyn, Lynn, John, the grandchildren and greatgrand: There are no words for me to tell you how special Mary was to me and my children. She was their only aunt and they loved her with their whole hearts. She loved me from the beginning of our relationship as sisters-in-love and I returned her love. So many people have posted messages here and on Face Book expressing the thought..."she will be missed." I thank our Father for allowing me to know and love this dear lady. Aunt Sara

“ What a sweet sweet lady .. when my parents purchased the cafe in NW I was very young ... she and Momma Bartee came almost every day and they invited me to sit with them. I listened to many many stories and enjoyed every minute of it. I can still hear saying "Momma look at what she has on" !!! and they would both just chuckle! she was another "Cafe" lady icon! We will be praying for your family during this time but rejoicing because I know she is strolling down the streets of heaven with that big smile on her face!

“ To all the family, Karl, Jim and I wish to express our deepest sympathy at the loss of this most special lady. Mary was one of a kind. She lived her life with dignity, determination, and devotion. Her gain is our loss but we are all better for Mary having been in our lives and Heaven is brighter because she is there. Our prayers are with you all.
