“ I remember the first time meeting granny I was 16. She welcomed me with open arms and yes I had her approval. Such a sweet lady inside and out always giving and there when u needed anything, her hugs were the greatest. Years later visiting with her heard many stories and lots of fun times dancing with her at granddaughters weddings (:  
And God shall wipe away all tears from their eyes and there shall be no more death neither sorrow nor crying , neither shall there be anymore pain for the former things have passed away..... Prayers Hugs and much love to this sweet family.

“ *What a sweet lady. She love her family! the gleam in her eyes when she spoke of each of you. We will miss her smiles each Sunday and will think of her often, when looking at her empty spot by Kelly, but just knowing she is where we are all are looking forward to being is a rejoice. Thoughts & Prayers are with you during this sad time...Edd & Terry Artherholt*

“ From Painting Papas woodworks, baking cookies, planting flowers, waiting with us girls at the bus stop when it rained or when it was too cold outside, to kissing our boo boos when we were hurt I've learned a lot from this amazingly smart woman she was filled with wisdom, strength, and awesome craziness she was my Granny my one and only my strongest rock and I can not express how thankful I am that you were my angel here on earth and now my angel in heaven looking down on us as we grow and carry on your teachings of how to love, laugh, and stick together as a family! We Love you Granny/GG and we will take care of Papa down here while you take care of us from up there
