“ Mike, we will always remember the laughs and fun we had with you and Sammie, not only at our wine tastings, but every time we got together. She was so caring and sociable and pleasant to be around. Her bright eyes, her smile and her laugh live on in the hearts of everyone who knew her. There are blessings in everything and we pray you find them in her untimely passing. We have faith that this is all part of a grand plan even though we don't understand it.

“ I never met Sammie and have known Mike for less than a year. It has been a pleasure working with him these past few months. One thing I want to say about Sammie, she must have been a wonderful lady for her husband to speak so highly of her. It was obvious that they were in love. I know that she will be missed on this side of Heaven but I know that she is enjoying the presence of Jesus now. My prayers go up for those loved ones that she has left behind. I pray the wonderful impact that she made on their lives will bring peace as they hold onto their sweet memories. God bless.

“ To the family of Mary Anne (Sammie)

I never knew Mary Anne as Sammie...I became acquainted with her and her family when I would visit my Aunt Susie Camp on E. Clinton St. in Frankfort when we were teens. I always enjoyed Mary Anne and her sister Linda, they were both kind and I always remember thinking how pretty they both were. I often wondered where they ended up in life and when I go past Aunt Susie's past home on E. Clinton St. as well as the Salisbury home I always think of them. From the obituary it seems that Mary Anne had a wonderful and happy life. I am thankful for that and thankful she loved the Lord and now she has seen the face of Jesus. I pray that gives her family some peace and hope for what lies ahead in eternity for Mary Anne and all those who know and love the Lord. Remember your precious memories with a smile, for know this is for certain, "Sammie" is smiling. Keeping you in prayer at this sad time. Sincerely.

“ To Mike and Devin,
I am so sorry to hear about Mary Anne passing away. I had the pleasure of working with her at Kelsey-Seybold till the day she retired. Mary Anne was my preceptor 13 years ago! She would drive up to work in her brown "classic car" that my then teenage boys asked me many times if she would sell to them. They couldn't believe that "a lady" drove such a cool car. (Sorry I am not a car person and can't remember what kind of car it was, but I'm sure all the car people will know). She helped me, encouraged me, guided me and supported me everyday at work. She was a beautiful woman inside and out. With that big beautiful smile she will be truly missed. Prayers to you both of you and all your family. Debbie Brown

“ *Heaven has additional "sparkle" now since our precious friend, Sammie, arrived! Her infectious smile and laughter are being celebrated along with all her friends and family who have gone before! What a reunion! Here on earth though, that special sparkle that was Sammie is missing, and it is going to take us some time to adjust. Thankfully, we will be comforted by God's promise that we will see her again and by the sweet memories of great times with this great lady! We love Sammie Cook!*

May God comfort Mike, Devin, other family members, and friends as only God can do. Please, Lord, give them peace that passeth all understanding.

Our love and sympathy to Mike and Devin and to the rest of the family!
