“ *Toosie & Frank, Pat & Thomas, Andy & the Dennis Family,
We are so blessed , & thankful that God gave us
this precious , person, Mother, & Grandmother. There is a special
place in our hearts carved out just for memories. Everyone that met
her claimed her for their very own, so gentle, so kind, & so giving.
Now she is receiving the blessings so deserved. Everytime we think
of her we will blow kisses to Heaven from our hearts to her!
Our Deepest Sympathy :Dione Futral, Dan Baumann*

“ Aubrey, Charlotte, Becky, Andy & Randy, Your mom was a wonderful lady. She stepped up to be my BEST friend when I needed a friend at a very difficult time in my life. She never complained about her own hardships, but was always there to encourage me through mine. We shared some really good times together during our time at "Shipleys", and for many years afterwards. She loved you all so much, and was so proud of each one of you. Shay, thank you for making me smile with that visual of her in Heaven. May God bring you all peace and comfort in the days to come. With love to all,
Linda
