“ God looked around his garden
And found an empty place,
He then looked down upon the earth
And saw your tired face.
He put his arms around you
And lifted you to rest.
God's garden must be beautiful
He always takes the best.
He knew that you were suffering
He knew you were in pain.
He knew that you would never
Get well on earth again.
He saw the road was getting rough
And the hills were hard to climb.
So he closed your weary eyelids
And whispered, 'Peace bethine'.
It broke our hearts to lose you
But you didn't go alone,
For part of us went with you
The day God called you home.

Aunt Mary was a very special lady that will be missed by many. I will always remember her love of fishing and growing plants, a passion that I also share. She is no longer suffering and forever free of pain. We love you Aunt Mary!

“ Aunt Mary will surely be missed by many. She was always so thoughtful and caring. She loved to dance and I am sure she is dancing again right now with mom. Every time we hear Boot scooting boogie we think of Aunt Mary and Uncle Ronnie dancing. No more suffering for her and I can assure you that it won't be long before the rest of us are FREE and we will see her again. Jesus said "I am the resurrection and the life. Anyone who believes in me will live, even after dying. Everyone who lives in me and believes in me will never ever die." John 11:25-26
We love you and will miss you

“ Aunt Mary a wonderful lady that will always be remembered by all of us. The endurance of health issues is no longer a part of her life. She is at peace and free of any pain whatsoever. Loved by all she will be missed dearly.

“ Please accept our condolence in the passing of Mary. It is always difficult to have a loved one pass from this world to the next. Praise God that she will live on in your memories.
