

## Mary Ann Kelly

October 12, 1946 - January 14, 2024

Mary Ann Kelly passed away on January 14, 2024 in Conroe, Texas due to complications with lung disease. She was 77 years old. She was born in River Forest, Illinois on October 12, 1946 to Robert and Myra Fitzgerald and was the youngest of their three children. She married Pete Kelly in 1969.

Mary Ann and Pete moved to Houston, Texas in 1975. While Pete pursued his career as a chemical engineer at Jacobs Engineering, Mary Ann worked as a veterinary technician at Alief Animal Hospital for several years. She also volunteered with Caring Critters where she participated in assisted pet therapy for patients in hospitals, assisted living facilities, and rehabilitation programs. In addition, she also raised several boxer dogs over the years.

In addition to her love of dogs, Mary Ann cherished the time that she spent at Elkhart Lake, Wisconsin. She had fond memories of summers she spent there with her brothers Dennis and Sean growing up. When she and Pete decided to retire, Peter and Mary Ann chose to spend much of their time at Elkhart Lake. They spent many summers enjoying their time at Road America, golfing with friends, and spending time on the lake that always made Mary Ann happy.

Mary Ann is survived by her husband, Pete, her daughter Colleen, and her grandson Elliot.

# Tribute Wall

“ So sorry to hear the sad news about Mary Ann. She was a joy to volunteer with at TIRR. She always did a great job being a team leader with a smile on her face and Major along her side. She will be missed by many. Blessings to her Family and Friends,  
Jason Leen
