“ *Well this is certainly late, and I'm still not sure how I saw this, but both your parents were wonderful people and my world is a better place because they were in it! My mom passed early due to MS but my dad is now 95 and lives in Huntsville!*

As late as this is, but because I know how memories remain, you and your family are in my thoughts and prayers and I hope you have found Gods perfect peace to comfort you through that difficult time.

“ Thanks for all great memories you left for all the fortunate relatives and others that had the opportunity to get to know you. You always had a smile and gracious words for all. You were such a joy to be with . You cracked us all up with your wit and humor. You will be missed dearly . I sure Butch is so happy to see you and all others you touched that are with our Lord and Saviour. May God give comfort and peace of mind to all your Children, grandchildren, great-grandchildren, and others close to you.
