*To Terry and Jack, Jr., and to the family, my sincere condolences to you all for the passing of your mom. She was a lifelong close friend of my mother and worked together a long time, and they kept in touch frequently until my mom passed in 1999. It was always fun to hear my mom say, I spoke to Mary today, and it was so good to hear her voice. May God Bless you and the family and many Prayers. Freddy Martin*

“ *Terry, I am so very sorry to learn about your Mother's passing. I first met her when your Aunt Opal and I drove her (and you) home from the hospital after your birth. I cannot believe the passage of time which has come about since then. I pray the Lord will grow close to you and your brother in your time of sorrow.*

“ *To the Family of Mrs McCullar, my sincere condolences to you and may Our Lord give you peace and comfort at this time and in the coming days. I had Mrs.McCullar as my first GMO in operator services in Huntsville back in 1973; as one of several recently hired African Americans during that timeframe, I found her to be very thoughtful, fair and pleasant to have as a supervisor. May your memories of her give you sweet calm when grey clouds come upon your horizon.*

*Sincerely,

“ Jack and Mary have been good friends since he took flying lessons in the 70's. Mary was always a kind and gentle presence. While we didn't see each other often, we kept in touch through the years. I'll miss talking with her. Our sympathy goes out to all the family.
