“ *I was in the Alpha Kappa Psi Fraternity (A professional business Fraternity) at SHSU in Huntsville, Texas and was the Newsletter Editor in the late 1970's and early 1980's. I remember , Mary became a member of our fraternity. I think a the time she was the oldest member we had but she was part of our fraternity family. Mary was such a Friendly , Generous, Kind person. She came to my Dorm Room she assisted me by typing up the Newsletter for us, as I was not that great of a typist and she was. My room mate at the time was Pat Cooling also in our fraternity. I believe she majored in Accounting and graduated in 1980. I majored in Marketing and graduated in 1981. I remember seeing her accounting practice many times when my spouse and I were visiting on the weekends in Huntsville, I never got the chance to go in and say Hello to her at her business for that reason. I really enjoyed knowing you for a while Mary, you were so kind to all of us and we all loved you.*

I will miss Mary very much.

“ Mrs. Novark was one of the kindest souls on earth. As new Hville resident, she helped me with my deceased brother’s income tax return. She babied all her clients, including myself!! She explained every step what was going on with the IRS. She placed all required tax documents in a stamped envelope. She never met a stranger. From the moment I walked into Novark Business and Tax Preparation, I felt like a true friend to her. She will be deeply missed by all. Our prayers and condolences are with her family and friends.

“ Mary Vela Novark was a treasure to work with over many years as she represented those in the Houston and Huntsville area. Sometimes we agreed and sometimes not in discussing tax administration. She was a force, who strongly advocated for those she represented and that was good thing for those she served. I looked forward to seeing her each year at the IRS Regional Practitioner Meeting as she was always front and center. She was a special lady and will be missed. “ You have my sincere condolences on the loss of your mother, grandmother, sister and friend. Ms. Novark will always have a special place in my heart, I enjoyed working with her over the years. She often talked about her grandchildren who she loved dearly. She was very passionate about her work and took her job serious as representative for her clients. I always looked forward to seeing her once a year at a meeting held in Huntsville while partnering with the SBDC. She had a special seat in the front of the room. I will forever remember her presence and impact she had on me and others. Praying for the family, colleagues and loved ones. Rest in Peace Ms. Novark!

“ I went to school with Mary and knew her as my friend from that time forward. We had not seen each other for years and I am saddened by her death. Mary was a strong minded lady who faced some hard times in her life but she never quit. I loved her and drove her crazy because she could not get me to back down if we disagreed. She was never as hard underneath as she wanted us to believe. I was blessed to see, sometimes, that sweet side of her. My best description of my friend, which I told her more than once, was she was a "rough, tough, cream puff". Rest in peace, Mary. I wish we had seen each other more often. Love, Sue Hardy

“ Mary Novark was a dear friend. She did my income tax for about eighteen years. She did my taxes in February of this year. Called me in three days and told me the taxes was ready. “ Mary has not only been doing my taxes for the past 15 years but we were friends as well. I spoke to her in April while she was in rehab She told me to file an extension and wait for her. She was dedicated even while in rehab. She said she'd be out in a few weeks. I told her I'd even come pick her up in Victoria. I tried to reach her several times since and have been asking everyone about her I'm so Sad 😞 . She was definitely one of a kind and I'll miss her terribly
