“ *Blyndia,
I am so sorry for getting in contact with you under these
circumstances but I offer you and your family my sincere sympathy.
We just laid my beautiful mother to rest on the 28th of August. I
hope they are both celebrating with Jesus. Continue to lean on the
lord for strength through the sad times.*

“ *I was so sorry to hear about Mary Frances. We were in the same
class, and I always enjoyed our times together. We had occasional
contacts over the years after school, and I always looked forward to
seeing her at class reunions. She was a dear and sweet person,
and a good friend. My thoughts and prayers are with the family at
this sad time. God bless all of you.*

“ Mary Frances was a special friend. We were classmates and Sunday School friends at First Baptist in Huntsville. We graduated high school together. We had many good times together. She would occasionally call me when she was in Houston for a day or two. Mary Frances always had a smile on her face and never was one to do anything but look for the best in everyone. I know she is at peace with the Lord. Theda Flournoy

“ Blyndia and Clark, I worked with your mom for many years. I remember it was a goal of hers to collect all of the TDCJ Connections newsletters. When it was my job to distribute them, I knew I had better not forget Mary's. One time she had come to my office to visit. She was sucking on some hard candy. Mary got a look on her face and couldn't talk. It scared me, but I did the one and only Heimlich maneuver that I have ever done. Afterwards, she told me she had a hiatal hernia and that was the problem, but it helped her anyway. I really did like your mom and have thought of her often after her retirement. I lost my sweet mom seven years ago and I think of her everyday. I hope the two of you can think of your mom and dad without hurting. I look forward to the day my family will be reunited as I expect you do, too. My sincere condolences to you and your families.

“ To the Otis and Yarbrough families, I went to school with Mary. We graduated in the same class. She was a very dear friend. Her father helped build my house when we moved back to Huntsville. We have to remember she is going to a greater place than any of us know. You all will be in my thoughts and prayers. Love, Peggy Kroesche

“ I loved my Aunt Mary. I really enjoyed it when we (Mary, My Grandmother, Mom & I) would go on vacations together. And every year she would come down to my Grandmother's house to celebrate my birthday with me, even though it was just cake & ice cream. She was fun to be around. I will miss her greatly. I know she is up there in Heaven right now with GOD, her Mom, Dad, Brother, and other family members that have gone before celebrating her new life.
