“ *To Ms. Ney's Family,
I have known Ms. Ney most all my life. My family and she met when her husband and my dad were roommate's in the V.A. Hospital (in the early 60's). She has always been the most sweetest and adoring person I have ever known. It always amazed me when I would run into her about town and she ALWAYS knew me and asked how my parents were doing. I told her many times that I wish that I would have her stamina & mental knowledge if I ever got to reach her age! Before she left Huntsville, she was still coming by to check on my parents & bring some happiness into their lives. It would always bring a smile to our hearts when we saw her on the Hillcrest TV ads!:) Ms. Ney lived a full life and we've missed her the last couple of years but know she is in a more wonderful place!
Take Care & May God Bless!*

“ I just want to say that I worked with Mrs. Nay at Hillcrest Ford for several years. She was the sweetest lady that I have ever had the pleasure of knowing and working with. I did payroll for Hillcrest Ford and Mrs. Nay helped me alot.

She could always cheer up an otherwise dreary day. I was sad when she had to move off and I got to talk to her several times after she left Huntsville, but I lost touch with her when I quit working for Hillcrest.

I think about her often and loved her dearly.

“ Mary Ann, Mike, Julie, Jessica and Savannah.

While I only met Grandma Ney on a couple of occasions. The thing I will remember her for is her spirit and sense of adventure even at an advanced age. While most people her age were willing to age, she was going out dancing at the fairgrounds and making commercials. She had the type of spirit I hope to have at an advanced age. I think we are all better off having known her.
