I am so shocked and saddened to hear of Matt's passing. My sincere condolences go out to his family. I was very thankful to have met and worked alongside Matt. We laughed, debated and argued but, most of all, appreciated one another. His sarcasm and dry sense of humor had me rolling my eyes and laughing in even the most challenging of situations. I can truly say I wish we had met sooner in life in order to have experienced more of the same together. Until we meet again, my friend.
