“ *Dear Friends,*

Mattie Lou Walker was a special friend. I knew her from her time in Kerrville when I served at FBC. She sang in our senior adult choir, and we had many good times together. I remember when she adopted a cat and brought that cat into her home it became her companion. Until that time, I don't think she was even a pet lover. I will always remember her and Mary Holbrook, another dear lady at FBC. They would go out to eat together and Mary would get so frustrated with Mattie Lou, because she would take home food items from the "all you can eat" bar. Mary did not think she should do that. They were great friends. We used to laugh about that. Mattie Lou was diligent to correct improper grammar! Those were good days and I remember her with great fondness. I am grateful to have known her and look forward to seeing her again in Heaven.

Sincerely,

James
