“ Thank you for being my second parents and always allowing me into your hearts. So many memories from the past to now which is a blessing from God. I am so thankful for Mom#2 in my life and my families as well. She always knew what was going on anywhere at anytime and never let Lee Ann and I get away with anything. I especially remember our summer jobs working and the sports store doing t-shirts for the teams. Mom could be all over the store helping customers and still see us goofing off on the other side. Most of all she always had an ear to listen and arms to hug when I needed it most. Our world is dimmer without her, but heaven is rejoicing at her coming home. Love to Dad#2 and Lee Ann for the Ballard 6 pack in MO.
