

Melinda Cobb

March 14, 1962 - March 3, 2023

MELINDA SUE (CHRISTIANSEN) COBB was born on March 14, 1962 in Giddings, Texas; The second youngest of five children to Harry Christiansen and Minnie (Bohot) Christiansen. She was baptized on April 1, 1962 and was confirmed March 23, 1975 at Martin Luther Lutheran Church in Giddings, Texas. She graduated from Giddings High School in 1980 as the class valedictorian, where she was a Buffalo Gal. She then went on to study Criminal Justice at Sam Houston State University. Subsequently, she had a successful and long career as a Purchasing and Procurement Assistant at Texas Department of Criminal Justice (TDCJ), where she retired. She then continued to support the Criminal Justice system by working for Windham School District. Melinda always had a smile on her face and a can do personality. She was very committed to her love of fitness and of traveling the world. She received an achievement for 500 days of workouts at the CURVE fitness club in Huntsville, TX. Melinda was a loving mother and Me-Me (grandmother), she loved her family and would always drop whatever she was doing to help a family-member or a friend who was in need. Melinda was a long-standing member of the Faith Lutheran Church and she passed her faith along through her acts of kindness and her extremely generous compassion. She established many relationships based on faith,

love, and friendship. She is now transferring her membership from the church on earth to one who is triumph and has mercy.

She had a ton of proud accomplishments to show and I'm pretty sure she triggered alot of people to get in shape. It was encouraging to watch her meet her goals. As kids I just remember her always laughing and kidding around. I'm sorry for all her family who's hurting right now. Rest peacefully Melinda.*

I do not have anyone to look for now when the printer comes on. You were always getting your steps in. You were such a caring person and would help anyone. “ *I am deeply saddened about the loss of Melinda. She was a truly remarkable person, with qualities that made her stand out as a friend and a co-worker. Melinda was intelligent, knowledgeable, and an upbeat person who had a great sense of humor. Her ability to connect with others and make them feel valued was undoubtedly a gift, and her expertise in her field made her invaluable to everyone here at Windham. Melinda's memory will live on through all that knew and loved her.*

Please know that my thoughts and deepest sympathies are with your family during this difficult time. Melinda will be deeply missed, but her legacy of kindness, knowledge, and humor will continue to inspire all those whose lives she touched.

I now realize that she was so special that she had enough special leftover to make everyone around her feel just as special. We love her and she will be deeply, deeply missed.*

“Melinda was one of the ones who trained me in my position at WSD, she was very professional and full of knowledge! As I got to know her more, I saw how sweet, funny, passionate and dedicated she was to her tasks and the people she held near her heart. I called her my "hallway buddy" since we always seemed to walk the halls at work at the same time (although it was mostly because she was getting her steps in). We miss you so much, WSD will never be the same.

“ My family attended Prince of Peace Lutheran Church with the Cobb Family. It was a joy celebrating Jesus with Melinda and her children. Melinda’s faith and love of her Lord we’re always evident in all she did. She loved her children and grandchildren beyond measure. As Melinda’s friend, I can say she was always there to lend a helping hand, a prayer, or encouragement. Her smile lit up a room and her presence brought joy to all who knew Melinda. Rest peacefully in the arms of Jesus sweet friend. Until we meet again I will love and miss you.

“ I have been with WSD for 15 years and my recollection of Ms. Cobb is nothing short of total professionalism. I could send MOCTs and MCAAs to Ms. Cobb and rant and rave that I had reviewed the answer sheets, redone them, re-sent them and I still had errors and no matches and Ms. Cobb would take all of 15 minutes and identify the error, correct it and resend my tests back with the appropriate matches! I will miss Ms. Cobbs tremendously and I pray that she is at peace and that her family find comfort in knowing that she was loved and appreciated! Rest in peace my dear Ms. Cobb! You will be missed.
