My heart is heavy for all of you. I'm not at all sure what God's purpose is, but somehow we have to think that there is one. Through our faith in Jesus Christ, I only know he will see you through this. May God's love keep you all.

“ As Micah's early music teacher, I loved him dearly. I have been so thankful that music was a source of joy and happiness for him. He excelled in so many things, and was one of my dearest students. Deborah, Kelly, Luke and Geren: you always were one of my most treasured "studio" families. I thank God that you have blessed my lives and the lives of countless others. I pray that your memories of Micah will provide you with comfort and sustain you in the days ahead.

“ Dear Kelly and Debra,
We will continue to pray for you each day and ask the Lord to guide you and give you his constant strength in the days ahead. The outpouring of love of Micah's friends at your home, at the funeral home, and at his precious service at your church are an amazing testimony to the wonderful young man that you raised. Charlie loved Micah, and was honored to be a part of the service. As parents, Mike and I want to say that you have done a beautiful job raising your children, and you are an example to us. Let the words of Psalm 91 comfort you, "He who dwells in the shelter of the Most High will rest in the shadow of the Almighty." We send our love and prayers to you today and always.

“ I was Micah's sophomore GT English teacher and have the fondest memories of his lively spirit and warm heart. He was a friend to all in the class and shared some of his many talents with us. Since that time, I was blessed to hear about his musical career from other students who kept in contact with me. I am deeply saddened by his passing and know that all of us who knew him will miss him, too. Please know that I was one of many who loved and appreciated him.

We were so saddened to hear of Micah's passing. I know there are no words adequate at this time, but know that we love you and you and the rest of the family are in our thoughts and prayers. As I have been sitting here this morning reading thoughts and memories of Micah, it is obvious that he was a very special young man who touched alot of lives. No parent can ask any more of this from a child and how proud you must be of all he accomplished in his life. Please give a hug from Mom and me to Aunt Mary Jo, Vanita and Roy Jr...we love ya'll...

“ Debra, Kelly, Geren and Luke,
You are in our daily prayers. We consider Micah a son and you as our family and we want to be there for you at any moment. Your family represents God's love even during this difficult time. I was always impressed how Micah shared his faith openly, but he gets it outright from his parents and brothers. You are walking through Psalm 23, but remember, you are not walking through it alone, and that "through" means that there is another side. May God's peace be in your hearts throughout this very sad time. We love you. Cindy and Mike

“ Micah loved life to the fullest. His wonderful smile and personality lit up a room. His music touched all of our lives. He brought joy and laughter to everyone who knew him. His love for his family, especially his parents will be embedded in our hearts forever. Micah was never too old or too big to hug and kiss his "mama & daddy" or say I love you regardless of who was there. He was so much a part of our family, he could smell our dinner from miles away! We will miss him beyond words can say. We thank God he brought Micah and the Sims family into our lives. We know he is singing in heaven with his PaPaw by his side . Will deepest sympathy and love always.

Just know that we are praying for each of you. We know that it will be hard, but never lose sight on God. It was a privilege to be in the youth group with him and his musical talents. His leadership and love of the Lord were obvious. His bright smile and love of music inspired both of us. If God brings you to it; He will bring you through it. We love you! It's times like these where God carries you through. Draw near to Him when the pain seems unbearable. We will always love you and be there for you. Luv you G-man!
