“ *I am so very sorry to hear about Mike. He and I spent many, many hours from 1972-1978, riding together in the same patrol car, and I have nothing but fond memories of those experiences. I acknowledged him in my book as a mentor and friend. He was like a brother to me.*

“ I'm was so saddened to learn that my very good friend, Micheal C. (Mike) Arthur, former Conroe Police Chief, had died at age 71. Mike and I became friends when I took over news director duties at radio station KIKR in 1987; right across the street from the then Conroe Police Department headquarters. I worked for Mike from 1994 until 2000 when he was the city administrator/police chief in Willis. Ever since our first meeting, Mike and I had been close and had stayed in touch wherever I roamed. I still come and go through Conroe and we always got together when I was in town. I could go on for pages about what my friendship with Mike meant to me and how much he taught me, but those who knew Mike; those who worked for Mike already know what I'm talking about. My mom and dad met Mike years ago and he and my dad struck up a friendship and shared their love of fishing. Maybe today, Mike and Pop are having to figure out not IF they are going to catch a 5-pound crappie, but which one!! I'll always be grateful Mike and I were friends. I'm a better man today because of Mike and my world is a lesser place now because he's no longer in it. Godspeed, Mike; fair winds and clear skies, buddy! I'll catch up with you later!
