“ *Many moons ago, I remember a simpler time in life when my brother, Mark Polansky, and Mike had good times bowling together. I can almost hear their laughter as memories were made and a friendship began. Mark passed in November 2011 and I have no doubt their friendship has now continued in a place where there is no more sorrow and no limitations. My thoughts and prayers are with you. As was Mark, Mike was a very special person. God bless.*
