“ *Sharon, I am so very sorry for your loss. I know that those words do not help you with your loss. I just want you to know you are in my thoughts and prayers. You will always have a small part of Mike with in in your son! Since I am so far away, just email me. We can talk that way, and I am so glad that you still have Aunt Dorla near you too. I wish there was something I could do. I love you.*

“ *Although I did not know Mr. Fox or his family, my sister Shannon Foster has been a friend of Kayla's for years. Having lost my mother two years ago to cancer, I can relate to the painful feeling of loss you are going through. Please know my thoughts are with you all.*

“ Sharon, Mikey, Kayla and Alyssa, I know I don't know you personally, but I feel like I do to some extent. I work with Maryann and have known all that you've been going through. Here's hoping that whenever the benefit does happen, I can make you all plenty of money for the face painting to help out with the funeral costs. May God bless you all.

“ Sharon you know that anytime you and the kids need me I will always be there for you. Mike had a good heart, and he loved his family. I will miss him. He is resting with the others now, he is also watching over you and the kids. He loved each one of you with all of his heart. May god be with you and give you peace.

“ Sharon, Mikey and Kayla you have all my love during this time. If there is anything you guys need, call me. Mike could be a "mess" at times, but when he was good, he was very good. He knows you all loved him and is now in a better place to watch over each of you.

“ And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away.
