“ So the homewrecker died a year after his 'life partner'. Serves you right Michael. You introduced Jose to the pills that killed him, and the hiv you spread killed you. If that isn't the best news. Good riddance. I hope you burn right along with the lives you helped destroy. If only people knew the secret side of you.

“ Michael, I know that you are sick no more and that comforts me. I only met you briefly, but I could tell that you had a good heart. I knew Joe from the Dollar General, and he was always kind and helpful. That I remember about him. I pray that you are once reunited again. God Bless your children and family! I wish I could have helped you more than I did. Sincerely, Deborah Creppon

“ Michael was one of a kind. We grew up together and had so much fun. He was kind and caring with the biggest heart. My Mom loved him very much. I could have never thanked him enough for the care he showed her. You will be deeply missed. Rest in peace my friend. God be with the family in this time of great sorrow.

“ I was so saddened to hear that I will not get to visit with Michael at Slott's Grocery anymore. Although I didn't know him well, he still chatted with me like an old friend. I will miss him. My thoughts and prayers are with you all at this difficult time.
