“ *Just wanted to express my condolences and a scriptual thought that will give you the needed strenght that you you need to go on. The first one gives us a hope for life again on a paradise earth found at Ps. 37:10,11&29 and the other scripture is John 5:28,29 were it says do not marvel at this for the hour is coming when everyone in the memorial tomb will hear his voice and come out.I hope that in your spare time you can look up these scriptures and find the hope and strenght you need to carry on*

“ Dana & boys,
I was so very saddened & shocked to hear about Mike. While it's
been a while, I still think about the guys at the yard & talk about
working at the truck yard. Mike's boisterous(msp) voice and
personality were one of a kind.
I contacted Bobby; he was shocked & offers his condolences.

“ Dana, I am so sorry to hear about the loss of your husband. I noticed the flag at the equipment store at half staff, and had a strange feeling - now I know what it was. I know there are no words to make this any easier, but please know you can call me anytime, for anything. I will keep you and the boys in my prayers.

“ Dana, Michael, and Ryan,
I know these may sound like only words in all your pain right now,
but I pray that our Father God will make His face shine on you all
and give you His peace right now and in the days to come. Having
gone through and am continuing to go through cancer with my
husband, I can only vaguely imagine what you must be going
through. I can only lift you all up in prayer and ask him to hold fast to
you. He can sustain you. My arms are around you.
