“ *Uncle Mike taught me to drive and to shoot. I will always remember the good times at the family ranch, hiking, hunting, working, cooking, and laughing together. And I will always treasure Mike and Patti's kindness and support during Eric's and my wedding weekend, when they tirelessly helped us decorate and prepare - and then got spiffed up and had a great time with us at the reception. Mike was kind, hard-working, generous, and loving, and he will be greatly missed. Especially wishing solace for Patti and Alan and their families.*

*With love,
