“ *Dearest Harvey and family  
I shall always hold Mildred in my heart as my "second Mom".....she was a good wife, mother, sister and daughter.....a faithful friend to my Mother, a thoughtful and generous neighbor. She was my mentor as I entered Nursing College, and offered love and support to many. I'm sure there are countless students,patients and co-workers who thrived under her warm, proficient care and teaching.  
She will be missed and never forgotten.  
May you be held in the arms of Grace as you grieve her passing.*

*Love  
Carol*

“ Dearest ones,  
You are in my thoughts and prayers. No words to express so many memories of my "other mother" and her family. So many years have passed and yet many times it is just like yesterday. Just know that she is at peace and has rest in the bosom of her Lord. She touched so many lives over the years in such a wonderful way. May the Lord bless you and keep you. Love, Karen & Rick Murkot

“ I thought I saw her face today  
In the sparkle of the morning sun.  
And then I heard the angel say  
“Her work on earth is done.”

*I thought I heard her voice today  
Then laugh her hearty laugh.  
And then I heard the angel say  
“There’s peace little one at last.”*

*I thought I felt her touch today  
In the breeze that rustled by.  
And then I heard the angel say  
“Her spirit never dies.”*

*I thought that she had left  
For the stars so far above.  
And then I heard the angel say  
“She left ya’ll with her love.”  
and “She’s with ya’ll every day”*

“ We will all miss Mildred. When I think of Mildred the first word that comes to mind is caretaker, she was always a role model as a caretaker of others. When I was eight years old I remember her carefully bandaging my thumb right after I slammed it in a car door, making sure that I did not hurt anymore. She was gentle then, and she is a gentle soul now as she walks with the good Lord.
