“ *So sorry to hear of Jeanne's passing. She was a wonderful teacher and made sure the new nurses knew how Dr Monday liked things done in the GI lab. She was his Right hand and kept things running smoothly. You'll be missed. Cheryl C.*

“ *Tommy, I am so sorry, but rejoice knowing the struggle is over and she is celebrating with Jesus. I enjoyed visiting with her often during the many months after she arrived on our floor at Creekside. Always had that sweet, sweet smile. Will always remember that. I remember her from the moment I came to Huntsville to direct the lab in 1976, and saw Dr. Monday for issues for the first time shortly after. She was precious. What a sweet spirit. I commend you for being so dedicated to the care she received and would think of that almost daily as we met coming in or going out. I am praying for comfort.*

“ *Jeanne was a competent, efficient nurse who was also a good friend. Hard-working, she always had a cheerful attitude and a smile. She persevered despite several of life's difficulties. She and Tommy even made a visit to us in Kentucky. A visit to her in the nursing home was one of the highlights of our last visit to Huntsville. Our condolences to Vicky and Jimmy and the remaining family. Dr. Gene and Chrys Wilson
