May God bless all of the family of Millie. We will all miss this wonderful lady. She loved God and was such a wonderful friend. She also loved all of her family and spoke of them often. Millie never complained during her long illness, She just wished she was not a burden to her family, She was so grateful for the love and care her daughter and husband gave her, as they were the local family and took excellent care of their Mom. She will be missed, but we know she is out of pain, and in Heaven with her loved ones that have gone before her. May you feel the love of God as He gives you peace as you go through this loss. We will all miss Her. I love you, Dorothy Nichols.
