“ *This note is from the friends of the Huntsville Healthcare Nursing Home. Hello, my name is Melba Hall, sister of Tina Horak and friend of Mrs. Dorothy Schmuck who are residents at the nursing home and they wanted you all to know how much they loved Mrs. Warr and how much they already miss her. Tina would go and visit Mrs. Warr after each meal, they had really become very close. Tina also expressed how much Mrs. Warr enjoyed the Gospel singing group on Monday night before she got sick. Our sympathy goes out to each and everyone of the family members. God Bless each of you.*
