“ *Milt's (Sam) presense will be sorely missed. My favorite memories include him and his boat with all us kids lined up for a ride or to ski. I would still be tangling up the tow line if it weren't for him. I was honored to be able to be at his and Karen's wedding. And I am deeply saddened to hear of his passing. I offer my whole hearted sympathy and condolences to Karen, his children and family and friends.*
