“ *Jamie and Kelly and families, , Minta sue was such a lively, lovely, fun loving lady. I spent hours listening to her and Elmo Kent telling jokes and stories to each other. What a riot they were together!!!They truly loved each other and I know Kent was at the pearly gates to meet her. We will miss her, but she will never be forgotten. I am so sorry for your loss and I pray for peace in your hearts and that the grief will soon pass. Lovingly, Debbie Walker*

“ *Minta Sue was a good friend and neighbor to our family for many years on Normal Park. I so enjoyed visiting with her on our daily rides to the Sam Houston campus - Minta Sue and my Mother, Phyllis Irvine, would head to work, and I would go to class. I loved her personality and always thought she was so pretty. Jamie and Kelly, my heart goes out to you and your families. Prayers for peace and comfort during this difficult time.*

“ *Jill can not think of her without hearing the joyous sound of her laughter. Kelly and Jamie, you know, I think, how much this extraordinary lady means to me. She was truly another mother, a great influence & comfort, and a treasured friend to me. What fun times we had together in my college years, as she opened her heart and home to a young girl far from home. My heart is sad for me and for you all. I know without a doubt, however, that someday I will hear that same laughter ringing through heaven when I join her there.*

What a huge blessing your whole family has been to my life; and I thank you from the bottom of my heart for sharing her with me.
