“ Dear Angie and Carolyn,  
I so wish I could be there by your side to say goodbye to Mammaw! Even though it's been years since I was fortunate enough to see all of you, you reside in my heart daily! Mammaw was a second grandmother to me and all of our friends. She simply was our family. I love all of you and know how much you loved and will grieve for this wonderful lady! I'm sure she's already giving those angels heck! God Bless all of you!  
All My Love,  
Trisha

“ Glenn & Family,

*I know what you're going thru. My Mom passed away a couple years ago after a 5 month battle with cancer.*

*We are not to morn those that have accepted Jesus Christ as savior and have fallen asleep. We know to be absent from the body is to be present with the Lord, but we do miss them greatly.*

*I heard a minister say " There are two things that are 100% sure, God will heal your mother or will make her perfect ". Your Mother has been made perfect, never to taste death again.*

*In a short while, we will both see our mothers again. What a celebration that will be.*

*We will be praying for you during the next few day.*

“ *The Cooksey Family, It was with such a sad heart that I read about your Mom passing, but that's just what she's doing, passing from this earth to the glory beyond. She & Brother Cooksey raised such a fine family and they were both so very proud of every one of them! She will be missed but I know she will live on in your hearts & memories! God Bless You!
