“ *Freddy, I am so sorry to hear of your loss. Moncia has been one of my favorite people I've had the great pleasure of knowing in my life since we met years ago in the bakery. Monica always treated my like one of her kids and I loved her dearly for that and her happy positive self. Even though I haven't been able to visit with her in years, I have always kept her and her family in my thoughts and prayers. We will continue to pray to God to hold you and your family in his embrace during this time of loss.*

“ *I only knew Monica through my best friend and her sister Ginger. I  
pray for Freddy and know she waits for all of us. She was such a  
delight to be around. Even in her illness, she always had a smile for  
you. Her home was always a warm and comfortable place to be. I  
loved to visit there. She will be missed greatly. Our loss is God's  
gain. My Circle of Friends here in Montgomery, Alabama pray for all  
of her loved ones.*
