“ *My heart truly aches for our loss. What a joy to have been able to enjoy her sweet spirit while she was here. Myra will continue to influence our lives for good by all who knew her. How fortunate to have known and loved her. We enjoyed Myra many years in Primary and Young Women activities and even camp. Always sweet and kind and willing to participate and help others.*

I'm so grateful for eternal families and knowing that we will be united with our families again and what a joyous reunion that will be. Christ is always there for us and will comfort like no one else can. Remember at the most troublesome times in our lives is when there were only one set of footprints in the sand and that's when Jesus carried us. We all must lose those we love for a time and oh, how hard it is. God is real and he loves us all. Myra is in good hands, with him who loved us first and most.

I pray her family will have the peace and comfort that only can come from Christ.

“ *Myra was my childhood best friend. She lived right down the road from me for years and we use to play all day everyday! I grew up with her and her brothers. She was so sweet and was my partner in crime when we were little.*

“ *So sorry for your loss. I worked at Mance Park Middle School where Myra attended middle school. Such a sweet girl, always willing to help a friend. One thing, she always had a smile. A short life but Heaven has a very "sweet angel" who will be dearly missed. GOD Bless.*

“ *Myra, Words can't describe the vibe you would put out.
So cool, and so sweet. You're smile could brighten anyone's day.
You were always willing to share a laugh.
Watch over us, and rest In heaven. 💜*

“ James, GiGi, Adam, Shirley, Billy, also to Myra's sister, brothers, & extended family, Our hearts hurt for each & everyone of you. When such a young beautiful soul is taken at such a young age it is only human to question "why?" I pray each of you find peace through God's grace now & in the days & weeks ahead. (Myra's accident was the day of my mother's funeral & we also lost a friend the same day my mother passed so this is truly a sad time for us all.) However, please know we are here for you, whatever you guys need, please do not hesitate to ask. With love & deepest sympathy, Richard & Denise Lane

“ What was not mentioned was she was deeply in love and engaged with Tyler widdison. They were planning on getting married in Utah and having a family. She is a light in the darkness. This will probably be deleted. But we love her and she knows how much we love her. Amen
