“ Nancy was the most caring and giving person I knew. I worked with Nancy over the last year, which was truly an honor. I will greatly miss her smiling face at work. It's going to be really hard not seeing her there everyday. The day I heard of our loss, that morning as I drove in the parking lot at work, Nancy was the first who came in my mine. I was looking for her car. I never imagined I would not be seeing her that day. Vincent and boys, I'm so very sorry for your loss. My thoughts and prayers will be with your family during this time of need. God Bless you!
