“ *Lauren,
I was your mother's friend when she lived in Centerville. She was a very nice lady inside and out, and I thought a lot of her. She was always so much fun to be around with a beautiful smile. I remember I saw you and your mother once when you were taking gymnastics and my son was there also.
I just heard about your mother passing away and I am so very sorry. I will be praying for you and your family.*

“ I grew up with Nancy, and graduated from high school with her in 1969. I had no idea that Nancy was ill, and am shocked and saddened to hear of her death. We played summer softball together, and were also active in the Huntsville High School FFA Chapter together. I remember Nancy's laugh...it was unique and and cute, and always made you want to do something else so you could hear her laugh again. My condolences to her family, and to you, Pat. I know how close the two of you were, and that you will miss her very much. All of you are in my thoughts and prayers.
