My thoughts and prayers are with all the family. I didn't really know Natalie all that well, but over the years I was able to chat with her a few times. On every occasion, I found a very pleasant and friendly person - both as a little girl and as a young woman. One time several years ago, I saw Natalie in Wal-Mart and I said hello to her. I don't know if she remembered me from church and/or CCE or not, but we talked like old friends for 10-15 minutes. What a very nice young woman she was. God gave this special child to very special parents and a good family. Her struggle is over. May she now rest in the peaceful and loving arms of Jesus. Charley Sanders

I never had the opportunity to know Natalie, but have seen so much love poured out for her from her family. She was surely a sweet, brave young woman who will leave a big hole in her family's heart.

David, you are such an inspiration to all of us. You never failed to pray for Natalie at daily Mass. May she rest in peace. I wish I had known Natalie, but I never had the opportunity to meet her. May God bless all of your family with His healing touch. May the Blessed Mother envelope all of you in her mantle of love.

David, "Sweet Mother," and Whitney,

Our lives are richer for having known and loved Natalie. She inspired us with her quiet dignity and courage, her zest for life, and her kind, loving nature. Thank you for sharing her and Whitney with us during those formative years.

We cherish memories of sleepovers, giggling, birthdays, games; and yes, even doctoring knees injured in the "sticker patch." She was so precious- a beautiful soul.

I remember the first time I saw Natalie. She was in David's protective arms waiting with you, Sally, for Whitney to be released from class at Scott Johnson Elementary. And now, she is in His protective arms.

May you continue to be strengthened by His abundant grace and love.
