“ *Nelda was one of the sweetest and most generous people I have ever known. She treated us girls that worked for her like we were family. Nelda was a very strong lady and her strength inspired me. I appreciated the way she always made time for me when I needed her... and always had a smile. I am very grateful to have worked for her. I always felt blessed. (Thank you, Nelda) I pray for peace and comfort for Richard and her family. Angie*

“ I worked for Nelda from 1991 to 2008 and she was a wonderful person to work for. We were also friends and I loved her deeply. She was a caring person and truly cared about everyone. We will all miss her deeply but now she is out of pain and with our Lord Jesus. She is also with her daughter, Randi and happy to be there. Heaven has another angel and we have a deep loss in our hearts but we will look forward to rejoining her again someday. We love you, Nelda.

“ *It's with a broken heart I say goodbye to a truly wonderful lady. Nelda and I worked together at her agency for over fifteen years and became as sisters. She was one of the kindest and most generous human beings that one could ever know. She would do anything to help anyone never expecting anything in return. There will never be a day that I don't miss her and my loss is truly Heaven's gain. Nelda, give Randy a hug for me. Oceans of love and prayers for Richard who loves her so much and devoted the last years to seeing that she was cared for and happy. Fran*

“ *I knew Nelda when she was happily married to Cocky Cochrane. They had such good times together - both always laughing, and so much fun to be around. She was such a special lady, and was always a gracious hostess. She was very devoted to her family.*
