I was saddened to hear of the passing of your Mom.
From my earliest memories as a young boy I recall her sweetness
to me which she demonstrated each time we were able to get
together. I will certainly miss her.*

“ Nell was one regall lady that was always dressed to the nines. Her laughter literally lit up her face. She was the keeper of the dominoes, but most of all she was my friend. My card buddy. One of the " knockers" and my neighbor.I will miss her.

“ To the family of my dear friend,

Nel was so loved by her friends here at Windsor Lakes, she was a very special lady. Always laughing and ready to go and have a good time. She will be missed at our social gatherings and our card group.

I will miss her very much.
