“ June, Denise, & Jerry,
We want you all to know how much we loved your mom and dad. They were very special to us. She taught me so much, always sharing recipes or ways to make things different. We had a lot of good times together. They were a special couple, each having their unique ways. Each one of you kids were very special to them and they were very proud of you.
With Love, Truett & Kay Bennett

“ Denise, your mother and Bobby were friends of ours forty years ago when we all lived in the same neighborhood. I had never connected the two of you. She was very special - always sweet and kind to everyone. Please extend my sympathy to your entire family.
